of New Hampshire and Vermont

LAST YEAR'S BEST RACE IS BACK - RAIN OR SHINE

Veteran road racers and first timers agree that the super smooth Canaan Motor Club is a blazing fast thrill ride. Last year's party was awesome too. The only thing racers didn't like about the event was the rain. This year, we'll switch to half-track configuration and keep racing.

STARTING GRIDS SET BY REGISTRATION - ENTER NOW!

In road racing, there's no qualifying or prefinal, so when the karts are lined up on the edge of the track for the standing LeMans start, it'll be by who got their registration in first. The green flag is out! Get that form in now!
