Age 15+	

OTHER KARTS & ENGINES

All karts meeting sound and safety requirements are welcome. However, only karts meeting the technical requirements of the above championship classes will receive event trophies and points. Nonconforming karts will race with an age and performance appropriate group, but may not be scored. If five or more karts of a non-championship class attend a race they will be scored as that class and eligible for event trophies. If this occurs at five events, that class will be eligible for year-end awards and made an official class the following season.

FUEL & OIL

Racing fuel or pump gas of any octane, except World Formula and Briggs 206 must run 93 octane. TaG and 2-cycle classes must follow manufacturer specified oils and quantities. No oils added to 4-cycle gas. No fuel additives in any class! There will be random checks.
