

COVID-19 WAIVER

To be printed and completed at home during the week leading up to the race by all attendees. Then brought to the track and turned in when you check in at the gate.

Each person attending the event must read and agree with all of the following statements:

I have not had signs of fever or a measured temperature above 100 degrees in the last 24 hours.

I have not had a cough, trouble breathing, or other Covid-19 symptoms as described on <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> in the last 14 days.

I have not had "close contact" with an individual diagnosed with Covid-19 in the last 14 days. "Close contact" means living in the same household, caring for, being within 6 feet for about 15 minutes, or being in direct contact with the secretions (i.e., shared utensils, coughed on, etc.) of a person who has tested positive for Covid-19 while that person was symptomatic.

I have not been asked to self-isolate or quarantine by a doctor or public health official.

If you CANNOT attest that all the above statements are TRUE, or you do not feel well right now, you may not attend this event. Please do not pre-register.

You understand that by attending the event you will be recertifying that all the above statements are still TRUE. If on the day of the event your health has changed in a way that would change any of your responses, for the safety of the NHKA racing community, you must STAY HOME.

NHKA, NHMS and Canaan Motor Club are not responsible for any Covid-19 transmission or illness.

I have read and agree with all the above statements and conditions of attendance.
