#### AGREEMENT & ACKNOWLEDGMENT

---

I agree to abide by the rules and regulations of the NHKA Racing Series and any waiver(s) I sign in connection with kart racing. I understand that kart racing can be dangerous and may result in serious injury or death. While reasonable precautions are taken to promote safety, I acknowledge that the nature of kart racing involves inherent risks. I understand that as a new driver/member, I may be required to attend a driving and safety course (NHKA does not supply karts or driving gear for the course) and must be approved by NHKA prior to participation. I further understand that NHKA membership is required to race and is a privilege that may be suspended or terminated for violations of NHKA Racing Series rules and regulations.
