Did Not Start (DNS): If for whatever reason you are unable to start the Final, so long as the day's entry fee has been paid and you **personally check in with the starter** when the Final is called to the grid, you will receive points for the position after the last kart scored on the track. If more than one kart is to receive DNS points, they will be sorted by finishing position in the Pre-Final, then by Qualifying result, then by least annoying. Special circumstances may apply at the discretion of the race director.
